- ① First learn the recitation line by line, memorizing each line by reciting that line 21 times on it's day.
- ② Then memorize the alphabet of the first letter of each line's individual word, for example:  
1 - Sunday Ana = Alef, B' Koach = beth, Gedulat = gimel, etc.
- ③ Then the word/thought "spelled" by the line ie line #1 = Avgytz = Avigdetz, line #2 = Krasten

Yah bless you in your return to Power!!!
