Prayer To Activate Your Spiritual Internet Cellphone or Spiritual Internet Circle (SIC)

You Must Say It 3 Times

O glorious name of the living God to whom, from immemorial time, all things are present, I (*Say your name*) who is your servant, O Eternal Father, I beg you to send me your angels, whose names are written in this circle, so that they may show me. What I am curious to know and learn, by **YAHAWASHI or YESHUA** or J.-C N.-S. So be it.

Explanation

J.-C N.-S. means Jesus Our Lord. You can use any name you know him by. It's a prayer of you asking permission and authorization to proceed because nothing can be done without the Mighty One consent. Try to use your own prayer. Remember

1. Acknowledge the Grand Creator in all His Glory
2. Supplicate your demand in a very honest and humble petition
3. Thank His Supreme Majesty for allowing you to communicate with him.
