

## Supercharge your Prayers

On this upcoming **Thursday, June 9th**, from sunup to sundown, we will be fasting and supercharging our white candles, while praying for the removal of the curses on Yashar'el/ The Nation/Zion, if you will! We are asking, The Mighty One/The Most High/HaWah/ Yahuah/ Anookesed, to Remove ALL of the curses on our people, including the two-thirds. (2/3).

Most of us know that there is a time and a season for all things (Eccl. 3). Well Family, June 2022 is a season of the Heavens moving. Five of the planets will be aligned (Mercury, Venus, Mars, Jupiter and Saturn) during the entire month, beginning June 3rd through the end of the month. On **Tuesday, June 14th**, there will be a SuperMoon (we will be supercharging our prayers with a white or red candle). This will be the second super moon of 2022 and one week later is the summer solstice; **Friday, June 24th** (we will be supercharging our black candle). This year during the summer solstice/June 24th, the moon will join the cosmic line up and will be positioned directly between Venus and Mars. This celestial phenomenon is significant as it rarely happens. The last recorded planetary alignment occurred December 2004. The same day, one of the most devastating Tsunamis occurred on the island of Indonesia: those are not easily forgotten. (Sister Lisa Cabrera has an excellent video on this that came out today; the link is below) Sister Lisa also reminded us that Putin certainly looks at the heavens and waited until Pluto was positioned over America (i.e., America lost its blessing) on 2/22/2022: the day the war began in Ukraine.

I mention this so that we are fully aware of the importance of this month! We are in the midst of the great tribulation, the great reset, Zion getting her blessings back! The Creator Above All, is moving the Heavens to speak to His people! He is allowing Mama (Mother Earth) to move the Earth, quite literally, with the 10 Plagues of the Apocalypse of Abraham. Moreover, He is moving on Our behalf and revealing tools and knowledge to help us as we are repositioned in the earth. For those that have the ear to hear, for those that have the heart to follow and for those that have the faith to move mountains, please participate in supercharging of our prayers, by supercharging our candles. This exercise is not for the faint of heart, its not for the uncertain, nor for the superstitious. This is for those who are clear on who they are, whose they are and whom is in control!

You will need the following Supplies:

- A. White (6/9/2022) Taper Candle, (bees wax is best. BBL recommended Hyoola 100% Natural Beeswax Candles: on Amazon) For **6/14/2022**, you can use a red or white candle. For **6/24/2022**, use a black candle.

This is how you Supercharge the candle with your will. We here, in the nation are **ONLY** using our will to **request peace and righteousness!**

1. Open the Four Corners- (Salute Four Corners) East is the first quarter because it is first, South is the second quarter because The Most High will descend there,. West is the diminished, because all the luminaries descend there. Lastly, North is the fourth quarter as it is contains three parts; man, water and righteousness (Enoch 2: 82-87)
2. You will need to place your primary hand around the candle with your thumbnail at the top of the candle and press firmly.
3. Begin twisting the candle upward with your other hand while your primary thumb is pressed firmly against the candle.
4. Speak your prayer for Thursday, June 9th. We are asking, “please remove all the curses off of Your people, your chosen, All 12 Tribes of Yashar’el, including the 2/3rds and restore our former blessings of your glory. (For Tuesday, June 14th, no specific prayer yet, so for example “I want my house to be filled with peace”; or, “Please end all contentions and strife at my job”; for example.
5. Repeat your request, over & over until you have almost twisted the candle all the way and you are almost at the bottom.
6. As you approach the bottom state, “All the Forces that are above, I am calling you to assist me”,
7. Then you will flip the candle over, keeping your thumb on the candle pressed firmly.
8. You will then say, “all the forces that are below, I am calling you up”, then repeat your prayer restating steps 5 & 6 (candle upside down)
9. Then flip the candle back, while calling for the spirit of fire/Dabariel and peace, “I am calling you”, repeat your prayer, and then you light the candle,
10. Then you face East and you say the word of power: “Bauchiachel” Then make a statement of affirmation that your prayer was answered. For example; “Thank you for removing the curses from Zion and restoring the blessings, help us to live righteously”
11. Then you face South and you say the word of power; “Bauchiachel”, then make a statement of affirmation that your prayer was answered. “Thank you for removing the curses from Zion and restoring our blessings! Guide us to live righteously”
12. Then face West, repeat words step 10
13. Then face North, repeat step 10
14. Place the candle in a candle holder in a safe place (try to predetermine this place) as the candle will need to burn out completely.
