

Third Pentacle of Sunday is to acquire Kingdom and Empire, to inflict loss, and to acquire renown and glory, especially through the Tetragrammaton יהוה

Shalawam Family:

It has been a few weeks since I have posted. The spiritual bathe we did during the summer solstice had me on an absolute high, which led straightway into my birthday, then out of town for a family gathering, lastly I have been blessed to have my goddaughter and new grand-baby to move in with me. Hence, I have been flowing and floating since June 24th. I do hope and pray that those that had the opportunity to participate are still drawing on the positive energies that occurred with the Grand Planetary Alignment. If not, we were reminded that additional heavenly movements are occurring for another 180 days, beginning July 6th, according to Brother Yance Yamar El. Brother Yance, was a guest on Brother Big Judah's channel on yesterday. If you did not get a chance to hear this interview/discussion, you should try to listen; as he shares actual laws that are being enacted which aligns with the prophecy and prayers of Yashare! The link for Brother Big Judah's discussion with Brother Yance is below.

One of the key points brought out during this discussion is that Juneteenth was NOT brought forth to simply placate the Copper Colored Natives, but is in fact a law that not only abolishes Dum Diversas, and the perpetual slavery brought about through it, but it also requires that our liberties and inheritances be returned. I am still researching this information as Kamala's statement said our freedom and what was taken from us by birthright should be returned. (Link Below) That statement was crafted to intentionally be vague, hence, I am desirous to find the exact language in the Act, of what should be returned. Anyone else that is interested, I was able to locate the Act, and the link for that is below as well.

With all of this information and so, so much occurring in the world, Brother Big Levi (BBL) was led to call a **40 Day Fast**. "**Take Back The Kingdom and Recover Stolen Property**". The purpose of this fast is that we capture the energies of the Heavens and supercharge our prayers, our focus, our discipline and our connectivity with the angelic beings that are awaiting for our requests. Our request/prayer, is that The Most High speed up the complete restoration of Zion, by returning to us to our "kingdoms, dukedoms, principalities, dominions, possessions, and all movable and immovable goods" stolen by the Catholic Church and the corporation of the United States of America. The **fast will begin on July 31st**, which is the 3rd day after the new moon. We will begin on Sunday, from **sunrise to sunset**. (The Sun/Oriel will be in Leo, (Lion of Judah) and the Moon/Emethiel will be in Virgo). This will be a **liquid fast**, however, if you have medical conditions or this is new for you, please try doing a **Daniel Fast, which means ONLY fruit and vegetables (no meat, no dairy)**. Small suggestion, when doing the liquid fast from sunup to sundown, try to drink as much water as possible, 100% juice or blend/juice fresh fruits, and non-caffeine tea. I know BBL said you could drink coke and coffee, however, coffee is a diaretic and coke; well! Both of those are dehydrating liquids, so it is better to refrain from them during the liquid fast.

BBL also said we should supercharge our candles during the 40 day fast. Everyone should supercharge a candle on Sunday, July 3st. He also suggested that you coat the candle with coconut oil. Everyone should also supercharge a candle on the last day of the fast. BBL would like for us to supercharge candles throughout the fast, hence, I thought that perhaps we could all select our born day of the week and commit to supercharging our candles on our day. In other words, I was born on Wednesday, so every Wednesday during the 40 day fast I will supercharge a white candle. Hopefully, we have enough family member participating, so that at least a couple of people each day of the

week will be supercharging a candle. Just a suggestion, BBL can expound if he believes this is a good idea. BBL also suggested that you print page 1, which is The Third Pentacle of Sunday, and place it under the candle that you are supercharging. Lastly when praying, call upon the Angel Chavakhiah; this angel represents, return of lost paradise and inheritance. And also call on the Angel Rochel, who finds lost and stolen objects and provides succession and inheritance. (Book of Angels)
