

For Any Cancer

Ingredients needed

1 Anana

1 Soursop

1 Aloe Vera (1 Stem) or 1 branch

3 Gingers it depends 1 or 2 is good

Because we are the children of light we do not work in darkness, this is why we lit up our candles. It is always recommended to face East when you are doing anything spiritual or alchemy but not necessary

Step 1

Light Transmutation

Face East takes 2 matchsticks, hold one by the red phosphorus or Sulfur. Take the other one and say "*Fiat Lux*" or "*Let there be light*" or you can recite Genesis 1:3 "*And God said, Let there be light: and there was light.*" or in Latin "*Dixitque Deus: Fiat lux*" and strike it on the matches box. Use this flame to light up the other matchstick from the bottom down not from the red phosphorous part, then light up your candle. Now your fire is transmuted.

Step 2

Activation Of The 4 Energies

Take all your ingredients and face East, and ask the energies that resides in the East to assist you, call them in peace, ask *Papa Legba or Atibon Legba* to open the portals for you, ask for passage in the name of the Mighty ϵ authorization of the Grand

ing that speak your intentions, talk to them like you were talking to an actual person. Ask them to perform your will which is to eliminate all cancerous residue in your body.

Step 4

Cutting Up

Peel off the anana by removing the skin off of it, and then cut it into small pieces.

Take the soursop and remove all the seeds from it. I never throw away the seeds of any fruit or anything, you can throw them away if you wish.

Take the aloe vera cut it and remove the gel from it not the green part, but the actual slimy part that is what you're going to use.

Take the ginger and cut them into small pieces.

Step 5

Put all your ingredients into a blender and blend all of it.

PLEASE DO NOT ADD SUGAR OR ANYTHING ELSE.

IF YOU HAVE CANCER CUT THE WHITE SUGAR OFF

COMPLETELY

Once it's done close the portal by doing the same thing and thanking the spirits for assisting you and sending them in peace.

Step 6

How To Use It

Now that you have finished your alchemic super scary voodoo magic potion, it's time to use it. Now before all that scumbag stuff, take one teacup in the morning at noon and at night for 60 days and say bye bye to that cancer and hello to **TMH**.

Now for the scumbag stuff, because there is a massive amount of energy all around us we are magi and we are going to use the energy store in Shemesh movements.

Take 1 teacup before *Shemesh rise*

Take 1 teacup at *Nathalon*

Take 1 teacup after *Shemesh* down

Take 1 teacup after *Shemesh* down

By doing this we are using the Mighty energy of the Ley Lines frequency to strengthen our core. After 60 cycles of *Shemesh* check back with your physician and let us know.
