

Shalom Beloved Family,

This document outlines the Spirit Intelligences the Angles/Angels in AQUARIUS. The simplest directions for these sigils or talismans is to write the names or draw the sigil in the described color on a piece of parchment paper inside of a Spiritual Cell Phone (or double circle) and consecrate the paper after Prayer and Fasting. For the initiates, construct the Talismans following a Spiritual Bath, utilizing the associated planetary/chakra incense with the Moon as the template for when to conduct the Talismans, ensuring that no spiritual work is done on the New Moon, if you are a man or not of childbearing age, or when you are in your new moon cycle if you are of childbearing age.

Working with the Spirit Beings requires a mature attitude, genuine curiosity, and dedication. Our Ancient Ancestors called upon the Spirit Intelligences to work with them on everything from housework to astral projection. In order to regain our connection with these Spirit Intelligences, you must first remember who you are: Stardust wrapped in Flesh, a Child of Light, A Human Ego with Divine Spiritual Connections, and most importantly a Divine Being manifesting the Fruits of the Spirit.

The Goddesses of Karma and the Divine Director have instructed me to produce this work as a workbook to learn the Earthly Mother Angels for the Spiritualite Nation. This is available on my website.

**Woe unto anyone who may use this information to harm a Child of Light!**

Peace and Blessings unto you,
