Shalom and much love and blessings, beloved 8K Family! Here, you will find the names mentioned in tonight's Esau's Trouble video and their meanings. Each name mentioned in this pdf is a message unto our nation and tells us that our Holy Father is in the midst, with the company of His Angels, Principals and Intelligences. You will clearly see that the 10 Plagues of the Apocalypse of Abraham are upon Psalm 83, Esau and the unrepented two-thirds. Forevermore, there will be great news delivered to the Mighty One's chosen children. There will be NO Jacob's Trouble! Be at peace! All praises, glory, honor and reverence in humbleness and humility to ADONAI.

I leave you all with Love, Respect and Serene Energy,

Sis Keilah
