

Shalawam Seed of Jacob/Ya'aqov:

So, I felt led to write about this media blitz regarding Kyrie Irving. I initially said, well this is a distraction, and thought I wouldn't bother and would ignore it. However, after listening to some of what Kanye had to say and what he sacrificed; and then, I heard Mama/Ruach Quedash/Holy Spirit say to me, a distraction or a message? Then, sister Pat on Spirituallite Passing Thru, confirmed this by asking; "a distraction from what?" And quite honestly, my stream was filled with videos regarding Kyrie. I have to agree with sister Lisa Cabrera that it was and is "Ish"; the owners of the NBA and the owners of the media, that have blown this story up! Their very harsh/knee jerk response to Kyrie posting a link/tweet, has peaked interest and curiosity in the dullest of minds. Ultimately, we know that The Most High is Over Everything: MHOE (link below). Thus, I had to stop and divert my attention to what is TMH doing with Kyrie?

So, on Friday as I began cooking and preparing for Shabbat, I flipped on YouTube and Dane Calloway had a 3 hour video on Kyrie. (Link below) In this video, he had the initial interview of Kyrie, on the topic. What I saw was a very humble and respectful man. He was clear that he wasn't promoting hate, nor did he say anything that was controversial. What was very worth noting, is that a portion of the initial interview was removed. Hence, everyone was wondering, what did they take out? So, I decided on Friday that I would rent the movie from Amazon Prime. Parenthetically, I remember when the movie was first published and I said I would rent/buy it, but I never did; as I felt relatively informed on the issue having watched Kurimea Ahau's 20 part video series; "From Indigenous American to African American" (link to playlist below). At any rate, we began watching the movie. The first two hours has a lot of information, some of which I had heard, much of which I believe, but quite a bit of which I could not confirm nor deny. The movie is more than three hours long, thus, for those with a short attention span; 2:07 is a good starting point.

Well, let me tell you. I can clearly see why they, i.e., "Ish" is panicking about this video! In their panic they lashed out against Kyrie: not the author, Ron Dalton, as they don't want that brother in the media, not Jeff Bezos, whose platform makes it widely available to the world. But Kyrie, a basketball player that shared a link. This documentary reveals who is "ish". It affirms Revelations 2:9, *"I know your works, and tribulation, and poverty, (but you are rich) and I know the blasphemy of them which say they are Yahudiym/Jews/Hebrews and are not, but are the synagogue of Satan."* Moreover, it will bring forth the prophecy of Rev. 3:9, *"Behold, I will make them of the synagogue of Satan, which say they are Yahudiym, and are not, but do lie; behold, I will make them to come and worship before your feet, and to know that I have loved you."* So, yes, 'Ish' is in an uproar. Please, please know that those in power know these scriptures as well, and are acting on their fear and emotions. This explains the media accusing Kyrie of hurting and harming a group of people. Initially, I asked, "how did he do that?" However, after watching the film, I'm now clear. Kyrie alone is their worst nightmare, as he not only knows who he is, he has 17 million followers. A unintimidated Hebrew man, tweeted about a film with so much truth....he has influence and the film has data, evidence, quotes and facts to destroy their lies!

Much of it, most of us know, but some of the information was new to me and is very damaging; as overall the movie will minimally make even the stoutest of doubters, pause and begin to ask questions. So, please let me say, that my being led to write about this has everything to do with the part of myself that believes that this is an opportunity for me, you and all of us to re-address the Truth with our family, friends and those we care about. (James 5: 20, *"remember this: Whoever turns a sinner from the error of their way will save them from death and cover over a multitude of sins."*) I believe this is, as Big Judah said, 'the last call'. The evidence says that TMH is using one of his very own, Kyrie Irving, to give the two-thirds and the Gentiles a last opportunity to come into the knowledge of the truth and to not perish.

Per my last two articles, 'The Heavens Speak', part 1 and part 2; we know that we are currently in a season of extremely rare celestial activities. These activities are shifting the earthly Energy from Mars (the sword, war,) to Venus (love, peace & harmony) and into the age of Aquarius. This is a celestial season of Karma, a time of renewal and awakening of Ya'aqov, a time of transferring of wealth, a season of knowledge and truth being revealed to the world. And as we all know, 'as above, so beneath'. Thus, it is my understanding that TMH is using Kyrie and Kanye here on earth/below, to fulfill the promises of scriptures and the messages that are in the Heavens. This is the time for us to inundate social media with this truth! The time to keep this story in the forefront! The time to put Shaquille, Barkley & LeBron on blast for being "Sellouts" to the system, (see photo below....it says it all about these three) caring more about protecting their revenue than standing beside their fellow brother, player, colleague in truth! Thus, far, it is evident that Kyrie and Kanye are both willing to walk away from the wealth of this world and stand up for what they believe to be right/righteousness!

All of us will have multiple moments of being tried and tested. It is clear to me that TMH has placed all of us in different places based upon our call, purpose and destiny. It is apparent that while the majority of us have lived below the poverty line, that not all of us have; and that each and everyone of our placements is intentional and based upon the plan laid out for our lives, individually and collectively.

I was placed in the school system and even while still blinded to the whole truth, I was able to impart some knowledge and be an example to thousands of students, parents and teachers. And please do know, when it was time for me to be set apart away from that wicked system; I was removed. The removal was unpleasant, as sabotage, schemes and trickery were placed upon me. Complete lies were told, my character was maligned, I was ousted, blackballed and unable to retain employment. And when I looked at why? I was told that my greatest weakness was that I was too honest! (Huh?). I was told that I didn't know how to play the game and tell people what they wanted to hear... I was told that I too often make the mistake of outshining the master. Thus, I had my day of reckoning. Would I yield and play the game of telling people what they wanted to hear, instead of the truth? Would I put the personal agenda of board members before the best interest of students? Would I dummy myself down to make you look smarter? Would I openly lie to save someone's ass? Well, I said no to all of that going along to get along; and I found myself jobless!

Know that TMH took care of me and I got another job (another testimony for later); which did allow me the opportunity to listen to truth daily, as that job required an extensive amount of driving. Yet, I still did not yet understand it all; and then came another blow where I was fired from that job. This gave me the opportunity to rest..... Rest was so necessary, as I was exhausted and unable to hear and think clearly. So, long story short; hindsight is 20/20! What seemed like a tragedy and devastation during 2020-2021; was the best thing that could have happened to me! Had not the haters hated and pushed me out of the school system, I would not be here writing today! I would not be rested and learning more and more about our ancestral heritage, of not only scripture, but the hundreds of other books that tell our story. I would not be learning about astrology, astronomy, angels, magical invocations; all the lessons that Brother Big Levi shares daily. Thus, I am clear and I am hoping to encourage those reading this, to trust the journey! I can honestly say, I am not angry with those that harmed me in the past as they served their purpose in my life; as I know I am exactly where I am supposed to be....and so are you! As such, I believe that Kyrie and Kanye are in the midst of one of their own tests, and this will play out exactly the way it is supposed to.

Please also know that although I identified significantly with certain aspects of the documentary, there is one thing in particular which I don't agree; and that is the authors perspective that so called 'Black or African Americans' are from the continent of Africa. As I

stated above, there is also a significant part of the information which I am unable to confirm or deny in the movie. Both of these issues are based on Brother Dalton's use of DNA. He references these DNA markers throughout the video as he apparently has worked in the medical field. In my own due diligence before writing this, I listened to, "Exclusive Interview w/ Ron Dalton author of Hebrews to Negroes" (link below). I had hoped that perhaps he had changed his perspective since the movie was published in 2018. I discovered, however, that he still holds this position. He did, however, mention that the theory of the slave trade being told in reverse had the potential to debunk his DNA theory.

I'll try to say this as best as I am able. From my understanding DNA markers can only identify living beings that are currently inhabiting a land. Thus, he identifies that peoples in an array of lands (see below) all hold the same DNA marker; i.e., they are all Hebrews, of one of the twelve Tribes. He further utilizes research identifying the customs, religious beliefs and practices of these same peoples. This information I do agree and I believe that our Nation will like, agree and be affirmed. Please also know, that although I disagree with this aspect of the movie, I do support Brother Dalton. I am a firm believer in agreeing to disagree and quite honestly, I have never met anyone with whom I agree with everything. As such, I stand strong on my belief that the majority of us are indeed the Native Americans, of the 10 Lost Tribes of Yashar'el. In my learning there is too much historical evidence that we were indeed, already here!

My personal family history debunks us coming here in chains. There are so, so many books such as the American Holocaust, by David Stannard, being clear what happened to our ancestors. The Pyramids in South and North America (many are in "No Entry" areas in National Parks or Park Reserves) have our images all over them. Dane Calloway has US Congressional records supporting his theory, 'the slave trade told in reverse". Kurimeo Ahau has read from 100s of books describing and identifying the Native Americans and Khandrop from 432 The Drop, has so much evidence on the topic, that well, we will all just have to agree to disagree on this. We're all still seeking and learning and as such; we all have different calls and information to bring forth, so there will inherently be some differences. I think the fact, that Brother Dalton, had the integrity to mention the slave trade in reverse, being a caveat, is enough for me to respect his journey.

With that being said, let us look at some quotes from the movie. I am convinced, that this quote is one of the pieces of information that has 'Ish's' panties in a bunch. To introduce the quote, he states that the television and mass media is the largest and most successful tool of indoctrination. He then quotes Ashkenazi Jew Harold Wallace Rosenthal, author, of "The Hidden Tyranny 1976: The Silent Majority":

At First, by controlling the banking system we were able to control corporation capital. Through this , we acquired total monopoly of the movie industry, the radio networks and the newly developing television media. The Printing industry, newspapers, periodicals and technical journals had already fallen into our hands. The richest plum was later to come when we took on the publication of all school materials. Through these vehicles we could mold public opinion to suit our own purposes.

"There is no such thing as the silent majority because we control their cry and hue. The only thing that exists is an unthinking majority and unthinking they will remain, as long as their escape from our rigorous service is the opiate (drug) of our entertainment industry. By controlling industry, we have become the task masters and the people the slaves. When the pressure of daily tolls builds to an explosive degree, we have provided the safety valve of momentary pleasure. The television and movie industries furnish the necessary temporary distraction. These programs are carefully designed to appeal to the sensuous emotions, never to the logical thinking mind. Because of this, the people are programmed to respond according

to our dictates, not according to reason. Silent they never are; non-thinking they will remain.”

We are amazed by the Christians’ stupidity in receiving our teachings and propagating them as their own. Judaism is not only the teaching of the synagogue, but also the doctrine of every ‘Christian Church’ in America. Through our propaganda the Church has become our most avid supporter. This has even given us a special place in society, their believing the lie that we are the CHOSEN PEOPLE and they, the GENTILES.” Harold Wallace Rosenthal (1976)

Humm, you don’t say? Although, we, the enlightened are clear that we were indoctrinated, I personally, have never heard this quote. While I am not shocked, it is clear how the knowledge of this intention, is going to make people have to start thinking. And thinking, well that’s the last thing this dying regime, wants to happen!

So, you may say you never heard of the above stated author, but I bet you know this one.

“Yet the false idea that the Jews constitute all Israel has penetrated the Christian consciousness to an alarming extent, so that when the Jewish press insists, as it does every week. “We gave you your G-d, we gave you the Bible, we gave you Christ,” even Christian ministers cannot find an answer. The answer is that the Old Testament is the nine-tenths as Israelitish book, and not a Jewish book. Abraham was not a Jew, Isaac was not a Jew; Jacob was not a Jew; Moses was not a Jew; Joshua was not a Jew; Gdeon was not a Jew; Samuel was not a Jew....the majority of the prophets were not Jews, but ISRAELITES.”

Henry Ford - The International Jew (1922)

Later in the documentary, he quotes “Charlie Chaplin” (the mustache guy,(they use his real name)) in the Book: “The Nazis: World War II by Robert Edwin Herzstein (1980)

“America has G-d’s Jewelry, The Americans have the jewels of G-d. The Americans have stolen G-d’s precious jewels. “What do you mean his precious jewels?” The Soldier asked, ‘Chaplin’ said, “America has stolen the Jews. The Jewels of G-d. His Jewelry. The Negroes. They are the True Hebrews. What a foolish move and a direct challenge to G-d. And they plan on moving these false white Jews into a state of Israel.”

“Because the white Jews know that the Negroes are the Real Children of Israel and to keep America’s secret the Jews will blackmail America. They will extort America, and their plan for world domination won’t work if the Negroes know who they are.”

Okay, one last damaging quote by King Leopold II of Belgium.

“The main goal of your mission in the Kongo is not to teach the Negro the knowledge of G-d, BECAUSE THEY ALREADY KNOW HIM, THEY TALK AND COMMIT THEMSELVES TO THEIR G-D (YAH-ABE). They know that killing, stealing, adultery, and blasphemy are not good.”

“Your knowledge of the scriptures will help us to use special texts that recommend the infidels to love poverty such as, “The Beatitudes: Blessed are the poor, for theirs is the Kingdom of Heaven”; and “ it is impossible for the rich to enter the Kingdom of Heaven.”

“You will take them away from anything or any act that gives them the courage to confront us. I am alluding to their magic (i.e., Ju-Ju, Boodoo)”.

King Leopold II of Belgium (1883)

So, please know that these are just four quotes that I thought were significant, as there are many more within this documentary. The information is presented in such a way that the two-thirds and the Gentiles will have to pause, and consider. And it is my hope and prayer that many do. It is not our responsibility to argue or convince anyone of anything. Our only requirement is to water the seed when given the opportunity. The Most High uses whom He chooses. In this case He used Kanye to initiate and Kyrie to continue fulfilling prophecy. This is

the time, of enlightenment. We, the true Chosen, are already aware of who we are. We are still growing and learning about our ancestral heritage, but we are growing! As I mentioned above, Brother Ron, in the documentary also provides a significant amount of research regarding the Hebrew heritage and practices in the various lands he identifies as having the Hebrew DNA marker. A few of the lands mentioned are: Sal Island; Cape Verde Israelites, St. Thomas, Sao Tome Island, Tanzania, the Kongo, Peru, Yoruba. Samarkand, Uzbekistan and Bantu Tribes. Here is one of the list of tribal practices of the Bantus:

1. **Circumcision** on the 8th day, naming babies on the 8th day
2. Nazarite Vow - hair is not cut from birth (i.e., Dada Locks in Nigeria)
3. **SEVENTH DAY IS A DAY OF REST.** No work, cooking, cleaning for people/livestock.
4. Separation of women after childbirth or menses for 7 days as in Lev. 15.
5. Ceremonial washing of hands.
6. Levirate marriage...Marrying of their brother's wife after death.
7. **Wearing fringes** on the border of garments.
8. Wearing of "*Breastplate of Judgement*" with 12 stones representing the 12 Tribes of Israel.
9. Hebrew names ending in "Yah"
10. **Blowing the Shofar** Horn in times of feasts, celebrations or war (Josh 6:405)
11. **Dietary laws** against eating unclean animals.
12. Animal sacrifices for sin.
13. Slaughter practices of meat (i.e., Kosher).
14. The division of African tribes into Twelve
15. Blood sprinkling upon altars and door posts.
16. **New moon celebrations, Passover, Holy feast** lid ays. (i.e., Igbo's New Yam Festival, Ga Tribe Homowo-Pesach, Nmaayeli-Shavuot, Nmaatoo-Sukkot).
17. Setting aside to G-d the first born males of livestock and herds.
18. Intertribal marriages. Numbers 36:12
19. **Divination practices** using Kola Nuts, Palm nuts, Shells, Sticks or Sand similar to the **Urim and Thummin** used by the Levite-Aaronite High Priests to obtain answers or the "Will of G-d" (i.e., If a Prists Benin/Yoruba, Aka Tibia Prists Igbo, Bambara Priests, Temne Diviners).
20. **Disobedience to the Torah/Leviticus in regards to Idol worship, Necormancy/** Ancestral worship, **fortune telling, interpretation of moments, mediums, charmers, witches, sorcerers and astrology.**
21. Superstations and Laws on "Hypo-pigmentation" disorders with afflict the Israelite community (i.e., Albiism, Vitiligo).
22. **The casting of lots and the pouring of libations.**

Look familiar family? Are not these our beliefs? Are we not seeking out overstanding of this list of traditions? So, as I stated, I believe this documentary has some gems! I encourage us all to buy or rent the movie/documentary and watch it for yourself. Why, watch it? So, that when one of your non-believing friends or family members bring the subject to you; you will be able to water the seed that was planted through the testing and trying of our brother Kyrie. And in turn, we will help to bring forth the prophecies of Jeremiah 16:19: 'our fathers have inherited lies'; 2nd Ezra 6: "Esau is the end of the world and Ya'aqov is the beginning that follows."; Isaiah 10:20 - 11:16 (Yashar'el, released from captivity); and Wisdom of Solomon 5: 1 - 6,

"Then the righteous will stand with great confidence in the presence of those who have oppressed them and those who make light of their labors.

2 When the unrighteous^a see them, they will be shaken with dreadful fear, and they will be amazed at the unexpected salvation of the righteous.

3 They will speak to one another in repentance, and in anguish of spirit they will groan, and say,

4 **"These are persons whom we once held in derision and made a byword of reproach—fools that we were! We thought that their lives were madness**

and that their end was without honor.

5 Why have they been numbered among the children of God?

And why is their lot among the saints?

6 So it was we who strayed from the way of truth,
and the light of righteousness did not shine on us,
and the sun did not rise upon us.

7 We took our fill of the paths of lawlessness and destruction,
and we journeyed through trackless deserts,
but the way of the Lord we have not known.” (NRSV)

I will close with the deleted portion of the interview of Kyrie Irving. I received it this a.m, from my goddaughter off of Instagram. I decided to type it out, as if they deleted it once....well, you already know!

“Where were you when **I was a kid figuring out that 300 Million of my ancestors are buried in America?** Where were you same guys asking those same questions when I was a kid dealing, learning about the traumatic events of my familial history? And what, now I’m proud of where I come from and why I am proud to stand here. And why when I repeat myself, that I am not going to stand down! It has nothing to do with dismissing any other race or group of people, **I am just proud of my heritage and what we have been through.** And the fact I that I am here answering questions about whether I am sorry or not, about something that I did not create. It’s something that I shared, and I am telling everybody that I am taking responsibility; then that’s where I sit. *These same questions that you guys ask...me dealing with it as being a melanated, a pigmented person all around the world and dealing with racial basis against my skin color, demeaning me because of my religious beliefs. And I am still sitting in this seat standing!*

But I also am a human being that is 30 years old, and **I have grown up in a country that has told me that I wasn’t worth anything, that I come from a slave class... and I come from a people that are meant to be treated the way we get treated --Every day!**

So, I’m not here to compare anyone else’s atrocities or tragic events that their families have dealt with. This is unfortunate timing that we are in, **but I am glad that I could stand here on the truth. I’m not afraid of these mics and cameras: I used to be! I’m looking everyone in the eye, and telling the truth, that I am proud of who I am! Any label that you put on me, I able to dismiss because I study!** And why they say *“if you want to trick a black person, put it in a book”*. I was wondering my whole life why they said that? Now I am 30 years old, **and I now know that reading is a super power, because it helps me understand where I am going and where I come from. Like a tree with roots!**” (Kyrie Irving, November 2022)

Enough said! Hats off to Kyrie Irving! May we water the seed that he nourished, through the seed planted by Ron Dalton! All Praises to The Most High!

Much Ahab, and continue rising Jacob/Ya’aqov!
